# Letter from the President

As President, and on behalf of the Board of Directors, I would like to welcome all our exhibitors, families, and community members to the 48th annual Smith County Junior Livestock Show!

We would also like to extend our appreciation and gratitude to the Agriculture Science Teachers, FCCLA and 4-H leaders, Extension Agents, and volunteers of Smith County for your leadership, knowledge, and continued support. We look to our youth as the leaders of tomorrow and feel this is a great investment.

The Smith County Junior Livestock Show is an all-volunteer, non-profit organization with several community members working year-round, giving their time and talent to host the event. Thanks to these individuals, we were able to secure several community sponsors that look to our youth as the leaders of tomorrow.

The mission of the Smith County Junior Livestock Show is to promote and develop positive leadership, citizenship, and life skills to Smith County youth through active participation in individually owned projects that will provide successful experiences.

The 48th Smith County Junior Livestock Show will grant opportunities for all Smith County youth to exhibit and compete with their projects while gaining valuable skills that will be used throughout their lives.

I hope you enjoy this year's Smith County Junior Livestock Show and look forward to 2025!

**Sincerely,**

A handwritten signature in black ink, appearing to read "Rick Perez". The signature is fluid and cursive, with a large initial "R" and "P".

**Rick Perez**
